Dear Stockholder:

At a special meeting of stockholders held on December 28, 2012, the company's stockholders approved an amendment to the company's certificate of incorporation to effect a 1-for-300 reverse stock split of the company's common stock. As a result, our stock transfer agent, AST, sent stockholders a Letter of Transmittal to be filled out and returned to them to enable you to either cash out your old stock certificate or swap your old stock certificate(s) for a new stock. Below are the rules, as stated in our filings, that determine whether each stockholder will receive cash or will receive a new stock certificate:

*Each share of Common Stock held of record by a stockholder holding fewer than 300 shares of Common Stock immediately prior to the effective time of the Reverse Stock Split was automatically converted into the right to receive \$0.60 in cash per presplit share of Common Stock, subject to any applicable U.S. federal, state and local withholding tax, and without interest; and, stockholders that held at least one share of Common Stock after the Reverse Stock Split will continue as stockholders of the Company, and any resulting fractional shares owned by such continuing stockholders following the Reverse Stock Split will remain outstanding as fractional shares and such continuing stockholders will not be entitled to receive any cash payment.*

To assist with your efforts, we have included with this letter is a list of frequently asked questions (FAQs) and their answers.

Sincerely,
